Apply relevant legislation and ethical frameworks to the planning and delivery of sports coaching sessions.

Critically analyse the role and responsibilities of sports coaches.

Demonstrate awareness of multi-disciplines of sports science within coaching practice.

Skills for life and work (general skills)

Demonstrate effective leadership skills in a coaching context

Communicate information clearly and coherently in a range of forms relevant to intended audiences.

Work harmoniously and productively with others to achieve shared outcomes.

Manage time effectively in order to meet deadlines and achieve performance targets.

Learning and Teaching

Primarily this course is delivered through face-to-face lectures, seminars, workshops and practical coaching sessions.

In classroom based sessions you will have access to lecturers and support staff as well as industry professionals, all of whom will support the introduction to and development of academic theories and models, the scientific principles of coaching as well as real-world examples and case studies. Taught sessions will involve high levels of student engagement through classroom tasks and be supported by tasks to be completed independently.

All UEL courses are subject to thorough course approval procedures before we allow them to commence. We also constantly monitor, review and enhance our courses by listening to student and employer views and the views of external examiners and advisors.

Additional costs:

Accommodation- Students are required to attend face to face classes as part of the course. Students are responsible for arranging their own accommodation if it is required to support timely access to course dates. Costs will be dependent on the students' choice of accommodation. If assistance is required to identify suitable accommodation this can usually be provided. Costs for city centre accommodation vary dependent on times, these are likely to be between £50-£150 per night.

Stationery equipment- paper and pens are required. Costs will vary dependent of student choice.

Books, journals and periodicals - books will be available to access in the UCFB/GIS and UEL library. If students wish to purchase books they can do so, however this is not a requirement.

Printing- printing credits are required to print documents on UCFB/GIS sites. Copies are 5p for black and white and 15p for colour.

Additional costs will vary depending on individual needs.
